Dear Graduate International Student,

Thank you for your interest in Queens College of the City University of New York. As an international student, you will need the Form I-20 to apply for an F-1 student visa at the American Consulate/Embassy or for F-1 student status in the U.S.

Before we can give you the Form I-20, you must show us that you can support yourself financially in the United States. There are three forms in this application package that you must complete:

- Application for the Certificate of Eligibility (Form I-20)
- Declaration & Certificate of Finances, and
- Affidavit of Support

You must submit these forms with supporting evidence to the International Students and Scholars Office **ONLY AFTER BEING ACCEPTED TO THE COLLEGE.**

Once the Form I-20 is issued, we will send it to you via email along with information about applying for a student visa and about being an international student.

If you are already in the United States in valid F-1 status and plan to transfer, you will receive information to complete the process.

If you will be bringing your spouse and/or dependent children, please request additional forms and information from our office. For further questions or help, contact us directly at iss@qc.cuny.edu.

Upon your arrival in New York City, and before you register for classes, you must come to the International Students and Scholars Office. Please bring with you Passport, I-94 Card, and all original I-20's.

Once again, thank you for considering Queens College. We hope you choose our campus for your studies.

Sincerely,

Patrick O'Connell, DSO
